LOUIS DE SOUZA,
Secy., S.P.C.

Letter No. 1 (2)-7 (20)—50, dated the 19th December 1950, from the Under Secretary to the Government of India, Ministry of Industry and Supply, New Delhi, to all State Governments/Unions/Chief Commissioners.

Subject:—Duplicators Industry—Encouragement to.

I am directed to say that the Government of India have for sometime been considering the policy to be adopted in the purchase of duplicators to meet their requirements. With a view to encouraging the indigenous industry the Government of India have decided as follows:—

(i) The Government of India's purchases of hand driven self-feed duplicators should be met from indigenous manu-

facturers as far as available and only the balance of such requirements, if any, should be met by imports.

(ii) Purchase of "hand driven and hand feed" duplicators should be made from indigenous manufacturers only, as the indigenous article is as good as the imported article.

I am to request that the State Governments/Unions/Chief Commissioners may also adopt a similar policy and extend their patronage to manufacturers in India, viz:—

- Messrs. Blackwoods (India) Ltd., Calcutta/Makers of hand and automatic feed duplicators.
- Messrs. Shourie Bros., Daryaganj, Delhi/Makers of duplographs and hand and automatic feed duplicators.
- Messrs. Remington Rand Inc., Calcutta/Makers of hand model, hand feed duplicators.

Dated 5th March 1951.
